BED ASSEMBLY INSTRUCTIONS

Ax8	Bx1	Cx8	Dx8	Ex1	Fx32
					

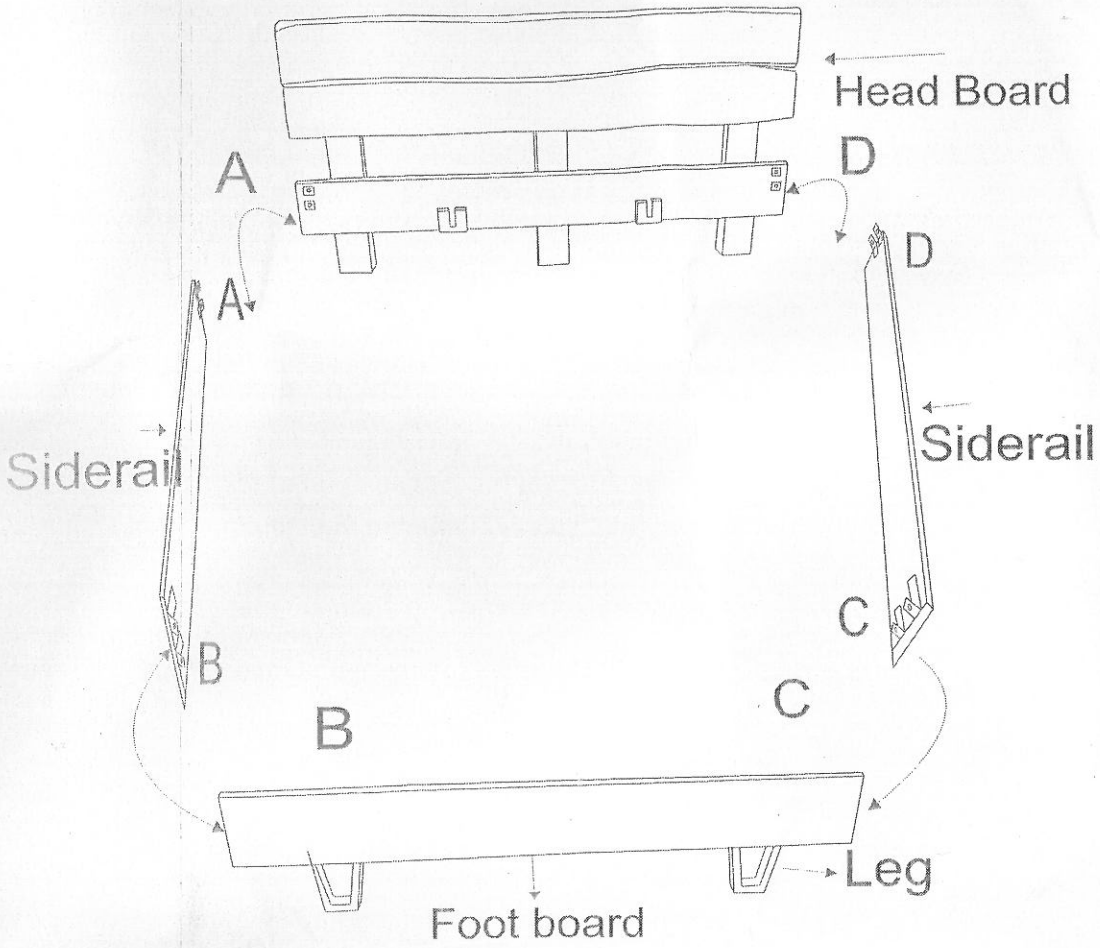

Thank you for purchasing this quality product. This product has been designed for easy assembly and constructed for durability.

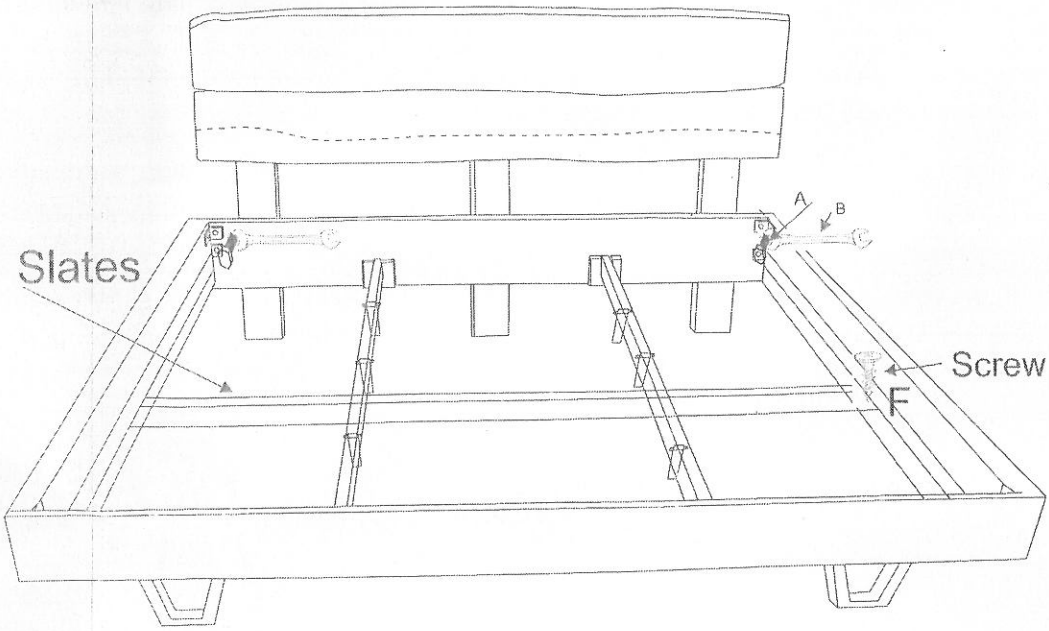

Please take the time to read and follow the assembly instructions carefully.

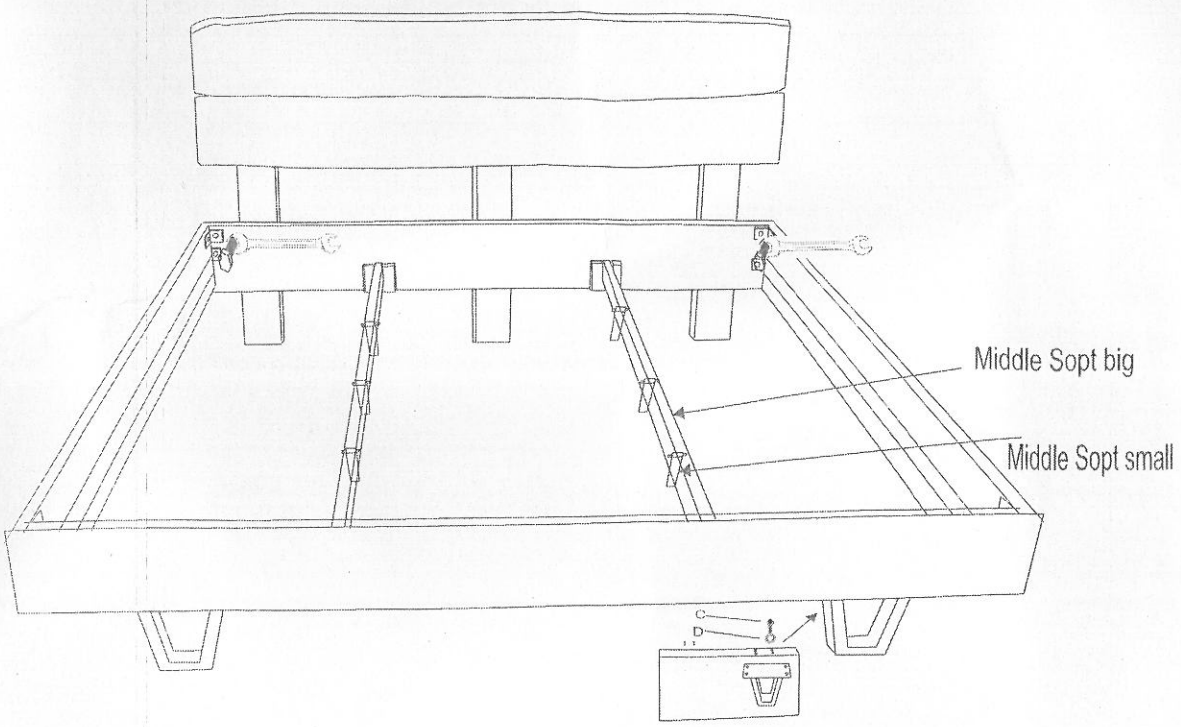

Assembly instructions

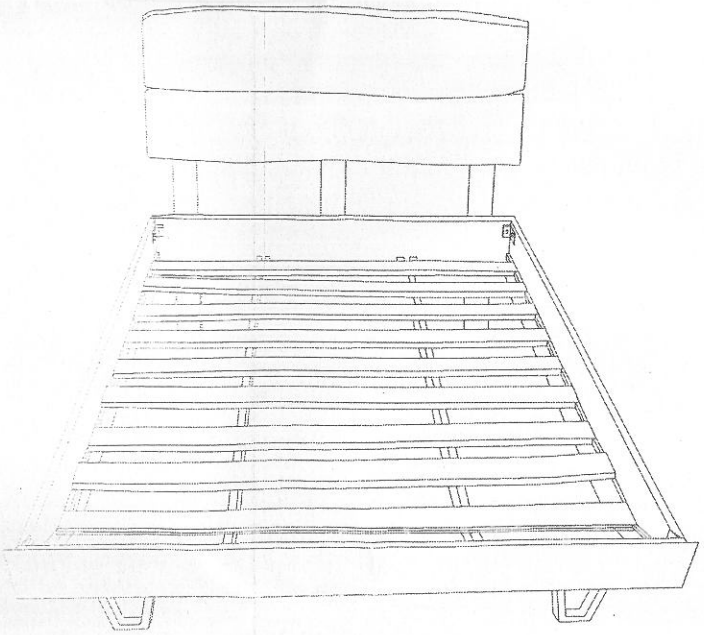

1. Ensure that all parts are present using the parts list
2. Invert the Bed head board ensuring that it will not get scratched or marked.
3. Note the letter label on each Side Rail , then place then Side Rail in the corresponding lettered corner of the Bed as shown in the diagram above.
4. Align the pre drilled holes in the Side rail with the pre drilled holes in the Bed .
5. Insert the bolts from the inside through the holes in the corners of the Bed first placing a washer over the thread and then hand tightening the bolt into the leg . Tighten the bolt with the Spaner provided. Continue to tighten until the leg is held firm but do not over tighten.

Ensure that all Bolts are tightened before use. Check and tighten all Bolts periodically throughout use of the product
