Toutes les vis doivent être fixées hermétiquement. Si besoin de déplacer le cadre du lit après l'installation, il est recommandé que 2 personnes le soulever pour se déplacer, ne tirez pas le cadre du lit directement. Après avoir déplaçant le cadre du lit, s' il vous plaît re-vérifier la jambe est bien installé et verticale ou non. Si tout va bien, alors peut être utilisé directement.

All screws must be fixed tightly. If need to move the bed frameafter installation, it is recommended that 2 people lift it to movedo not pull the bed frame directly. After moving the bed frame,please re check the legs are installed well and vertical or not. Ifall is ok, then can be used directly.
