A. Basket	B. Base	C. Pole	D. Bolts with Nuts	E. Bolts	F. Spring with Hook and Chain

How to install the hanging basket:

1. Place the pole on the base of the rack and attach it to the base with screws.
2. Pass the bolt through the hole in the pole and hang the spring.
3. Attach the chains and hang the basket on the spring.
4. Place the larger pillow on the basket and tie the small one to the basket
