This exploded perspective view illustrates the assembly of a four-drawer unit. The unit consists of four drawers, each labeled D4, and a top panel labeled G4. The drawers are shown in a staggered arrangement to show their internal components and how they fit together. Each drawer has a front panel and a bottom panel, with a divider (51) positioned between them. The drawers are secured with screws (G16) and are supported by a base (E33). The assembly is shown in a disassembled state to highlight the individual components and their relative positions.
