The top row shows four steps for attaching the table to the sofa. Step 1: The sofa is shown with the table base (part 5) being aligned. Step 2: The table base is being lowered onto the sofa's frame. Step 3: The table base is being pushed down to lock it in place. Step 4: The table is fully attached to the sofa. The bottom row shows two steps for attaching the backrest (part 2) to the sofa. Step 1: The backrest is being aligned with the sofa's frame. Step 2: The backrest is being pushed down to lock it in place. The diagrams use numbered circles (1, 2, 3, 5) to identify the parts and arrows to indicate the direction of movement.
